

DWS Scholarship Program

Drake-Williams Steel is dedicated to helping youth in the Denver Area to attend to and succeed in higher education institutions. The purpose of the DWS Scholarship program is to provide scholarships annually to high school seniors with the goal of pursuing a career in the welding industry. The recipient(s) will receive a full-tuition award towards a welding degree from a local community college and an accompanying employment opportunity.

The scholarship award will include:

1. \$2,500 value cash award to help cover education-related expenses- payout schedule is detailed below.
2. Full tuition paid for a welding program at any local Community College.
3. Prize pack of DWS items- including Carhartt cold weather clothing, steel-toed boots and a DWS backpack full of gear.

Scholarship Program Details:

1. Deadline for scholarship applications is March 17th, 2023 **by 5 p.m.**
2. Cash payments will be-\$500 awarded every 3 months if employment in good standing is maintained, for a total of \$2,500.
3. Refer to criteria below for eligibility requirements.
4. Submissions should be emailed to scholarship@dwsteel.com and include the application paperwork and any supporting documents needed (i.e. recommendations, evidence of GPA etc.)
5. All submissions should be typed.
6. The selected student(s) will be notified by phone/email by April 28th, 2023 and will be able to attend a DWS Signing Day event (date TBD) to formally accept the award and physical prizes.
7. Funds for tuition costs will be awarded to the student's institution of attendance upon evidence of registration in classes. This includes the requirement for submission of a proper student identification number and the address of said school's Registrar Office.
8. Students must be pursuing a welding degree.
9. Employment with DWS is "at-will."

Criteria and eligibility:

1. Applicant must be enrolled at a high school in Colorado.
2. Applicant must be a graduating senior in the year of the award.
3. Applicant must have at least a 2.0 grade point average ("C" average.)
4. Applicant must demonstrate community and/or extra-curricular involvement.
5. Scholarship recipient must maintain at least Part-Time status of employment at DWS in good standing to continue receiving tuition scholarship funds.

- Scholarship recipient must maintain at least a 2.0 GPA in their community college coursework to be eligible for tuition fund sponsorship.

DWS Scholarship Program

Zip:

The "Essay" Section:

Instructions: Depending upon the question, your response may be as short as one or two paragraphs or a detailed list. Formal essay format is not required as answers that are direct and concise are preferred. The scholarship committee realizes that applicants may not have had the opportunity to engage in activities related to one or more of the scholarship application's questions.

1. Describe your educational and/or career plan and how it developed:
2. Describe any special honors or awards you have received in the last four years:
3. Describe any classes taken or personal projects you have undertaken in high school related to the trades industry and what you learned:

Examples:

*If question 3 is not applicable, briefly explain why you have not had this opportunity and/or why you are interested in pursuing a welding career:

4. Briefly describe any membership activities, groups, or extracurricular school activities you have participated in.
5. List any volunteer activities in the community that you participate in and provide a brief description for each.
6. List any hobbies or outside activities that are not related to the trades or school sponsored.
7. If you have decided on the college you will attend, please list the name, and if you have applied/been accepted.

Recommendations
